

**"Fox," said Roger, "or perhaps bear. It's big enough for bear."**

In Swallowdale, Titty and Roger discover a cave. But what is in it,  
and what adventures might they find inside?

Have you ever discovered anything exciting for the first time? Have you ever imagined exploring something like a hidden valley, a secret garden, a ruined castle or a mysterious cave? Why not try writing your own story of exploration, discovery and adventure?
